

## 2011 Robert E. Langley ATΩ Greek Open

Dear Sponsor:

In 2007, the Alpha Tau Omega Fraternity began an annual philanthropic event called “The Robert E. Langley ATΩ Greek Open.” This event was created to benefit Officer Langley’s family after a fatal accident. Since then, ATΩ has focused all philanthropy events towards community projects. In 2008 ATΩ was able to donate a new fire truck to the Oxford–Lafayette Volunteer Fire Department, and in 2009 ATΩ was able to help build a wing at the new Oxford–Lafayette Humane Society. Then in 2010 ATΩ donated money to Camp Hopewell, a local camp that offers various camps to children and youth throughout the summer. The donation was centered towards two special camps at Camp Hopewell, “Camp for Children and Youth with Diabetes,” and “Christians Living with Cancer.”

This year we are focusing our philanthropy event towards the Boys and Girls Club, a local organization that offers club programs and services in order to promote and enhance the development of boys and girls in the local community. The Boys and Girls Club of Oxford services over 140 children each day, providing them with after school care, personal and social development, and a safe place to learn and grow.

Hurt by recent budget cuts, the Boys and Girls Club of Oxford is in desperate need of money to continue its service. We are very excited to be able to directly help keep such a vital program for Oxford youth open and running. All of the money collected will be used in various areas of operations, including building rent and maintenance, more learning supplies, and new playground equipment.

Thank you for all your help and support,

The Gentlemen of Alpha Tau Omega Fraternity
